

*Providing Sustainable
Solutions For The Planet*

Insight

Vertex means, 'base of the brain', which is the base of the body. Our aim is Global Cooling and to serve the cause. Vertex initiated its R&D in 1990 to provide solutions for sustainability of the planet.

Initiated with information technology today our services are playing vital role in **Aatma Nirbhar Bharat** cause.

Today Vertex is associated as, '**Product Development Partner**' with reputed brands of Indian Product Manufacturers.

Providing heartily satisfactory products and services for Solar Energy Consumption is on the top of our hierarchy followed by sustainability of health and overall prosperity.

Vertex Solar Solutions Pvt Ltd (VSSPL) had installed more than 6500 KW of rooftop and ground mounted solar power projects till March, 2022 with 1200 Happy, Healthy and Satisfied clients.

Our AMC services have ranked # 1 for being among rare organisations having zero Downtime and Maintenance.

Superior quality of our products, and humbly responsive services are the secret principals of **Vertex's** sustainability.
